

Dear SleepyJamesRugLife4Real@CoolMail.com

Hello, Sleepy James Rug life for real, I like your email address, I feel relaxed just reading it! I'm picturing thugs lying on rugs and I'm loving it. I am contacting you because I only have one hour left to live and I want to give all my billions of pounds to you. As I only have a very short amount of time left to live, you will have to contact me ASAP. As I have no friends or family, my last request is for all my money to get burned if it doesn't get claimed by you. What can I say? I'm a weirdo. But very generous. So, how's that sound?

How did you get this email address? It's only for chilled out emails that get sent to me around bedtime. Only those closest to me know about it, and your mail whilst sent at around the time, isn't particularly chilled out. Of course I don't want you to burn all of your money, and of course I want all of it. It just sounds... unbelievable. How can I trust you?

You can trust me, because I'm Charitable Charlie Champ, clue's in the name. Ever heard of an asshole called Charitable Charlie? It wouldn't make sense. :) Forget how I got your email address and think of all that money. A billion is a thousand million!

Wow, wow, wow, wow, wow, this is so exciting! Sorry for doubting you earlier, I was just testing you. May I ask how you'll be sending me the money? And a billion is a thousand million? Thanks for the fact! I will be telling everyone, did YOU know that a quadrillion comes after a trillion? I only found out about the number a couple of weeks ago. 15 days in fact, I've made a note of the date! Definitely a highlight of the year, but I have been having a very rough time. Not like you, though... So yeah, sorry you're dying. If you want my advice, I'd go on a huge food binge. :)

From SleepyJamesRugLife4Real@CoolMail.com

I can send you the money electronically if you give me your bank details! :) Do any of your details feature a... palindrome by any chance?

From CharitableCharlieChamp@AlmostUnbelievableMail.com

To CharitableCharlieChamp@AlmostUnbelievableMail.com

Oh that's SO charitable of you. Simple, too! As sending me the money is so straightforward, may I suggest changing your email address, as a cool last act? Is that possible? I'm just saying if you want to be remembered by others well and not just me, you could call yourself 'CharitableAndToThePointCharlie'! :) That's how I'll remember you, you're really great!!! :D But no, no, no, no palindromes I'm afraid. Just normal numbers, sorry! I may be a famous podcast host, but when it comes to numbers? Just a regular guy...

Hahahaha. That address was brilliant, I'll bear that in mind. As I'm sure you'll have a very long life, you are in no hurry to change your email address, but when you get the time, may I suggest 'RuddyBrilliantJames'?

Ha! That's (expletive) incredible!! I've only just heard of you and you're already my very best friend! Do you have a car? If so, I'll wash it for free. That's a huge compliment if you know what I usually do to other people's cars... Put simply, I mess them up! I know it's a very small token of my gratitude in the grand scheme of things, but let me draw you a picture of me shaking your hand. I'll make you look very kind faced, I bet you are. I just need to get my computer art program working... Argh, it's not loading! How about this... :){—< That's you!

Dearest James, I appreciate the art, but my time is running out and the lighter fluid I've ordered online is getting nearer to me by the second. Please, give me your bank details right now.

Look, I understand how you're trying to lighten the atmosphere. Maybe you're just extremely happy, or as I suspect, both, but I really can have a heart attack at any minute. So... details please. My artistic chum.

Oh, I'm no artist, I'm just getting the computer art from the internet and copying it. Maybe you're unhappy with the amount of effort I've put into my artwork and that's making you irritable. Give me a couple of minutes and I can draw you something really special. Pal! Again, not original, but it will make your final moments entertaining if you're anything like me!
