EXT. OPEN ROAD - DAY

It is a beautiful, sunny day with not a cloud in the sky. A long, straight road with a country view on both sides, goes on for as far as the eye can see. On it, a convertible car with the roof down speeds. Driving the vehicle is an 18 year old MALE with long brown hair and wearing a Hawaiian shirt. By his side is another 18 year old MALE wearing a band T-shirt, and with his hands in the air. In the back seat are two FEMALE passengers, also 18 and wearing trendy clothes. Sitting in-between them is the DOMINANT EGG, wearing sunglasses and looking moody. A NARRATOR with a dramatic voice speaks over the scene.

NARRATOR

Fun. Parties. Speed. The open road.
You'll get it all and more in the
Dominant Egg's latest blockbuster
called 'The Dominant Egg Excursion'.

The DRIVER puts the pedal to the metal and only drives faster.

DRIVER

This road trip is going to be the
best one ever! Egg, are you just as
pumped as me??

There is a dramatic pause.

DOMINANT EGG

(coolly)
Totally.

The WOMAN on the left takes a cigarette from her pocket, then a lighter. Shielding the cig from the wind, she lights it up then sticks it in the EGG'S mouth. He puffs, casually.

MALE PASSENGER

I hear the first party we're going to
will be killer, the second one will
be even better, as will the third and
fourth... but the FIFTH party? It
will be unbelievable!

The WOMAN on the right takes the cigarette from the EGG'S mouth and puffs. The EGG is as cool as ever.

DOMINANT EGG

Can't wait.

The screen flashes pink and yellow.

NARRATOR

EXPECT THRILLS!!

INT. DISCO - NIGHT

The room is lit with all sorts of flashing colours. Techno music booms as a few dozen PARTIERS jump up and down, full of life. The crazed DOMINANT EGG flies way up to the ceiling and back down again, he zoom to the left, he zooms to the right, he pretty much flies all over the place at incredible speeds. The DRIVER from before points to the EGG and laughs. He shouts to the two YOUNG WOMEN and his MALE FRIEND over the music.

DRIVER

Look at Charlie! He's really feeling THIS party!

WOMAN 1

I can't believe how wild he is! This is just the first party, imagine how intense the last one will be!

WOMAN 2

Go Charlie! Go Charlie!

Everyone in the room chants 'Charlie! Charlie!' with much enthusiasm.

The screen fades to black.

NARRATOR

However, life on the road isn't always what it's cracked up to be...

INT. HOTEL ROOM - NIGHT

This room has a cozy feel with a fluffy carpet. The lights are on, but the curtains are drawn. The DOMINANT EGG lays on a bed all alone. A door opens to reveal the DRIVER.

DRIVER

Charlie, what's going on? Why aren't you partying?

The D.E. sighs.

DOMINANT EGG

It's just... I partied so hard before, I really am all out of energy...

DRIVER

(laughing)

I bet! You really put your heart and soul into the last party! Just chill out a bit, you don't HAVE to fly all over the place you know?

(MORE)

DRIVER (cont'd)
 People cheered you on, but people
 were actually looking at you with
 concern...

DOMINANT EGG
 What do you mean?

DRIVER
 Maybe just stick to jumping up and
 down a little? Not all over the
 place...

DOMINANT EGG
 You didn't like it? You didn't love
 it?

DRIVER
 No, I did, I did, we all did... But..
 .

DOMINANT EGG
 But what?? Have I been living a lie,
 is that what you're saying?

The EGG hides under the pillow.

DRIVER
 Oh I don't have to put up with this.
 It's always 'am I partying too hard?
 Am I partying not enough'. It's
 always you, you, you isn't it?

DOMINANT EGG
 (muffled)
 How DARE you!

The DRIVER storms out of the room and slams the door behind
 him. The screen fade to black once more. Sad classical music
 plays.

NARRATOR
 Will Charlie Baldwin make up with his
 friends, or will he never party in
 the same way again? Find out, this
 Summer!
